TARIFFS FOR THE USE OF TOLL ROADS*

- ≤ 3.5 t – 0,04 €/km
- > 3.5 t, 2 axles – 0,09 €/km
- > 3.5 t, 3 axles – 0,115 €/km
- > 3.5 t, 4 axles and more – 0,145 €/km

PAYMENT IS ACCEPTED ONLY IN BELARUSIAN RUBLES as per exchange rate set by the National Bank of the Republic of Belarus for the date of payment.
PLEASE PREPARE BELARUSIAN RUBLES IN ADVANCE!
There is a currency exchange office at every border crossing point.
VIOLATION OF THE RULES OF TOLL ROAD USE CAUSES SERIOUS CONSEQUENCES – INCREASED TOLL.
The increased toll for one violation:
≤ 3.5 tons, if totally unpaid – **100 euro**, if partially unpaid – **50 euro**
> 3.5 tons, if totally unpaid – **260 euro**, if partially unpaid – **130 euro**

BYN · БЕЛКАРТ · MasterCard · VISA · Fleet card

*Approved by the Ministry of Transport and Communications of Belarus.

ON-BOARD UNIT

1. **Get the OBU** (requires a deposit of 20 € for a vehicle ≤ 3.5 t / 50 € for a vehicle > 3.5 t).
2. Top-up the on-board unit.
3. Set the correct number of axles including securely fastened.

4+ · 3 · 2

4. Mount the OBU properly on the windscreen.
5. **In case of towing** vehicles subject to payment of tolls for use of toll roads:
   - **by tow bar or by flexible towing**, install onboard units **on each** of the vehicles and indicate the number of axles on each of the onboard units in accordance with the design of each vehicle.
   - **by partial loading**, install an onboard unit **on the towing** vehicle and indicate the number of axles equal to **the total of axles** of the towing vehicle and of the vehicle to be towed.

When the on-board device is returned, the pledge value and the balance (the balance for the prepayment) are not refunded, if the last transaction was registered in the BelToll system three years ago.
