

BERNE

The design of this chair is simple and functional, but with its own design twist. The chair leg, passing into the side surface of the backrest, is a distinctive feature of this model. Due to this, the chair looks very stylish and aesthetically pleasing.

NORTH

The chair "Nord" has a simple shape with an interesting wood-framed back. It combines minimalism, convenience and conciseness. This model will perfectly fit into the modern interior and will become the main vacation spot for the whole family.

SCANDI

This chair model has a simple and laconic design. Strict rectangular shapes without decorative frills convey an atmosphere of freedom and lightness. The Scandi chair transforms any room, filling it with warmth and comfort.

COLOGNE

The Cologne chair is compact. The minimalist European design allows this model to be used in the design of various areas of the home interior.

HOLZ

The slightly curved backrest makes the chair comfortable for long seating. Holz is made of solid beech. Natural wood creates a feeling of warmth and comfort.

MARCO 01

Chair "Marko 01" is a representative of the classic Scandinavian design. The comfortable shape of the back and seat allows you not to get tired for a long time being in one place. And thanks to the proven design and numerous color combinations, the chair is ideal for an office, a cafe, or a home interior.

Marco 02
