Company Goodfood present a new line of premium "Gold Line" Pate.

"Gold Line" Pate made without artificial flavors, artificial additives and preservatives.

95.8% "Gold Line" Pate consist only of the higest meat ingredients with natural spices, onions and garlic.

"Gold Line" Pate is unique in recipe and taste, which is very similar to homemade pate. A long period of work on the recipe allowed to achieve a special taste, which remains constant from batch to batch, due to the constant control of the manufacturer for the quality of meat raw materials and production technologies.

"Gold Line" Pate are available in two flavors:

"Classic pate" - with onions, and "Pate with fried onions" - for lovers of strong flavour of onion.

"Gold Line" Pate is a new product, which appeals to different buyers, including those who previously chose only homemade pate.
